## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Issued To:

### MINCEY MARBLE MANUFACTURING

1940 NEW HARVEST RD. GAINESVILLE, GA 30507-8772 , United States

Product:

### Showers (Plastic)

### Identification:

Manufacturer's name and/or trademark or both shall be permanently and legibly marked on the unit so as to be visible after installation. In the case of private labeling, the name of the customer for whom the fixture was manufactured. Packaging shall be marked with the manufacturer's name or registered trademark or, in the case of private labeling, the name of the customer for whom the fixture was manufactured; and the model number. The product shall also bear the cUPC® certification mark.

### Characteristics:

Plastic shower units with or without walls manufactured integral with the shower; or as a multi-piece unit distributed as part of the shower unit. Each receptor shall be provided with a nailing flange to be located where the receptor meets the vertical surface of the finished interior of the shower compartment. To be installed in accordance with the manufacturer's instruction and the latest edition of the Uniform Plumbing Code and the National Plumbing Code of Canada.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
