Note: These measurements are based on a standard 60" w x 96" h Enclosure. The Brunswick Bypass Enclosure heights and widths are variable and can be ordered to fit specific project requirements. Please include your project specific w x h measurements when placing your order.

Note: The Brunswick ByPass Enclosure is also available for tubs. Tub must have a minimum 3" wide ledge for door frame installation.

\*Shower pan must have a minimum 3" wide curb for door frame installation\*
